Say hello to GWM.

GWM is a world-renowned vehicle manufacturer capable of designing and producing SUVs, utes and powertrains simultaneously. At GWM, everything we do is grounded in our corporate philosophy: ‘improving little by little every day.’

From building world-class research and development systems, which enable continuous innovation, to following the ‘excessive investment’ principle, which drives industry leadership, we relentlessly put our philosophy into practice. With nearly 8 million sales to date, in more than 170 countries (and counting), we are the No. 1 SUV brand in the world’s largest market and have been for the past 9 years. Our brand vision is to pioneer global mobility solutions, which use innovative technology to deliver a more pleasurable driving experience. Through innovation and global collaboration, we continue to improve our vehicles’ reliability, safety, performance, design and technology.

Haval H6. Delivers more oOOoh.

When it comes to the Haval H6, performance, design and safety are paramount. It's a mid-size SUV that makes a bold statement wherever you go. Rich in features, delivering more oOOoh moments.

Designed, just for you.

From the impressive front to the stylish back, every inch of the H6 has been meticulously considered. Whether you're ducking out to the shops, or roaming far on a road-trip, your most versatile accessory will always be with you.

Signature front grille

*Electric kick sensing tailgate**

*Not available on Lux Petrol

19" Alloy wheels

14.6" Infotainment screen

Column shifter

Performance when you need it.

Available with more powertrain options than ever before, the H6 provides a choice of internal combustion and highly sophisticated Hybrid technology. The highlight being our plug-in hybrid (Hi4) system combining effortless performance at your foot while increasing efficiency to provide real world benefit to the driver.

**The H6 AWD plug-in
hybrid (Hi4) accelerates
from 0-100km/h in just
4.8 seconds!**

Sophistication for every journey.

6-way electric adjustable driver seat

9 speaker audio system*

The H6 is a technologically advanced SUV designed for those who want more in life. Features such as intelligent parking assist*, a 14.6" multimedia touchscreen and a heated* faux leather steering wheel give this SUV its distinct edge.

560L boot capacity (1485L max)

Wireless Apple CarPlay & Android Auto

*Available on selected models

Highly intelligent mobility.

This bold and stylish SUV is also unbelievably safe. The Haval H6 comes with a comprehensive suite of safety systems designed to protect you and others on the road. Advanced safety features including Intelligent Adaptive Cruise Control, Lane Keep Assist, Traffic Sign Recognition, Traffic Jam Assist, and intelligent Parking Assist* all combine to give you peace of mind knowing that GWM is looking out for you and everyone else around you every time you drive.

*Available on selected models

Protection from every angle.

The smart active and passive safety technologies found inside the H6 including Auto Emergency Braking, Rear Cross Traffic Assist, Lane Departure Warning, Blind Spot Detection and a 360-view camera, will let you know who or what's in front, behind and either side of you every time you take the vehicle out for a drive.

GWM Care

Every GWM comes with GWM Care. It begins from the moment you take delivery of your vehicle and continues long into the future. Wherever the road leads, you can rest assured knowing that your GWM will be kept at its best for many years to come.
