Say hello to GWM Haval H6GT PHEV.

GWM is a world-renowned vehicle manufacturer capable of designing and producing SUVs, utes and powertrains simultaneously. At GWM, everything we do is grounded in our corporate philosophy: ‘improving little by little every day.’

From building world-class research and development systems, which enable continuous innovation, to following the ‘excessive investment’ principle, which drives industry leadership, we relentlessly put our philosophy into practice. With nearly 8 million sales to date, in more than 170 countries (and counting), we are the No. 1 SUV brand in the world’s largest market and have been for the past 9 years. Our brand vision is to pioneer global mobility solutions, which use innovative technology to deliver a more pleasurable driving experience. Through innovation and global collaboration, we continue to improve our vehicles’ reliability, safety, performance, design and technology.

GWM Haval H6GT PHEV.

The best of both worlds.

Part striking coupe, part smart SUV, the H6GT is for those who seek a sporty design that's effortlessly practical. Now available as a plug-in hybrid (PHEV Hi4), it offers 183km of pure electric range, plus turbo petrol when you want to go the distance – and then some, over 1000km.

19" alloy wheels

LED headlights and tail lights

Panoramic sunroof

Engineered for individuality.

From the front to the back, the top to the bottom, every inch of the H6GT has been meticulously thought out. Whether you're ducking out to the shops, or on a road-trip, your best accessory will always be with you.

Rear Seats 60/40 Split

*14.6 inch Full Colour Touch Screen Infotainment System**

*50W wireless charger**

*PHEV model only

Refined leather detailing

Power is in the details.

*Multi-function steering and center console**

Spacious boot design

*PHEV model only
 *Optional Genuine accessory boot mat shown

Meet **Hi4**

The H6GT is available in the latest technology called Hybrid Intelligent 4 wheel drive or Hi4. Equipped with a decoupled AWD system, this PHEV pairs a 1.5L turbocharged engine with individual electric motors on both front and rear axles. Boasting a 0-100km/h acceleration time as low as 4.58 seconds, offering outstanding performance yet unbelievable efficiency. Providing 642Nm of torque and 183km of best-in-class electric range.

Life's a blur?
How good.
The GWM H6GT
PHEV will get you
up to speed, fast.

Drive smart.

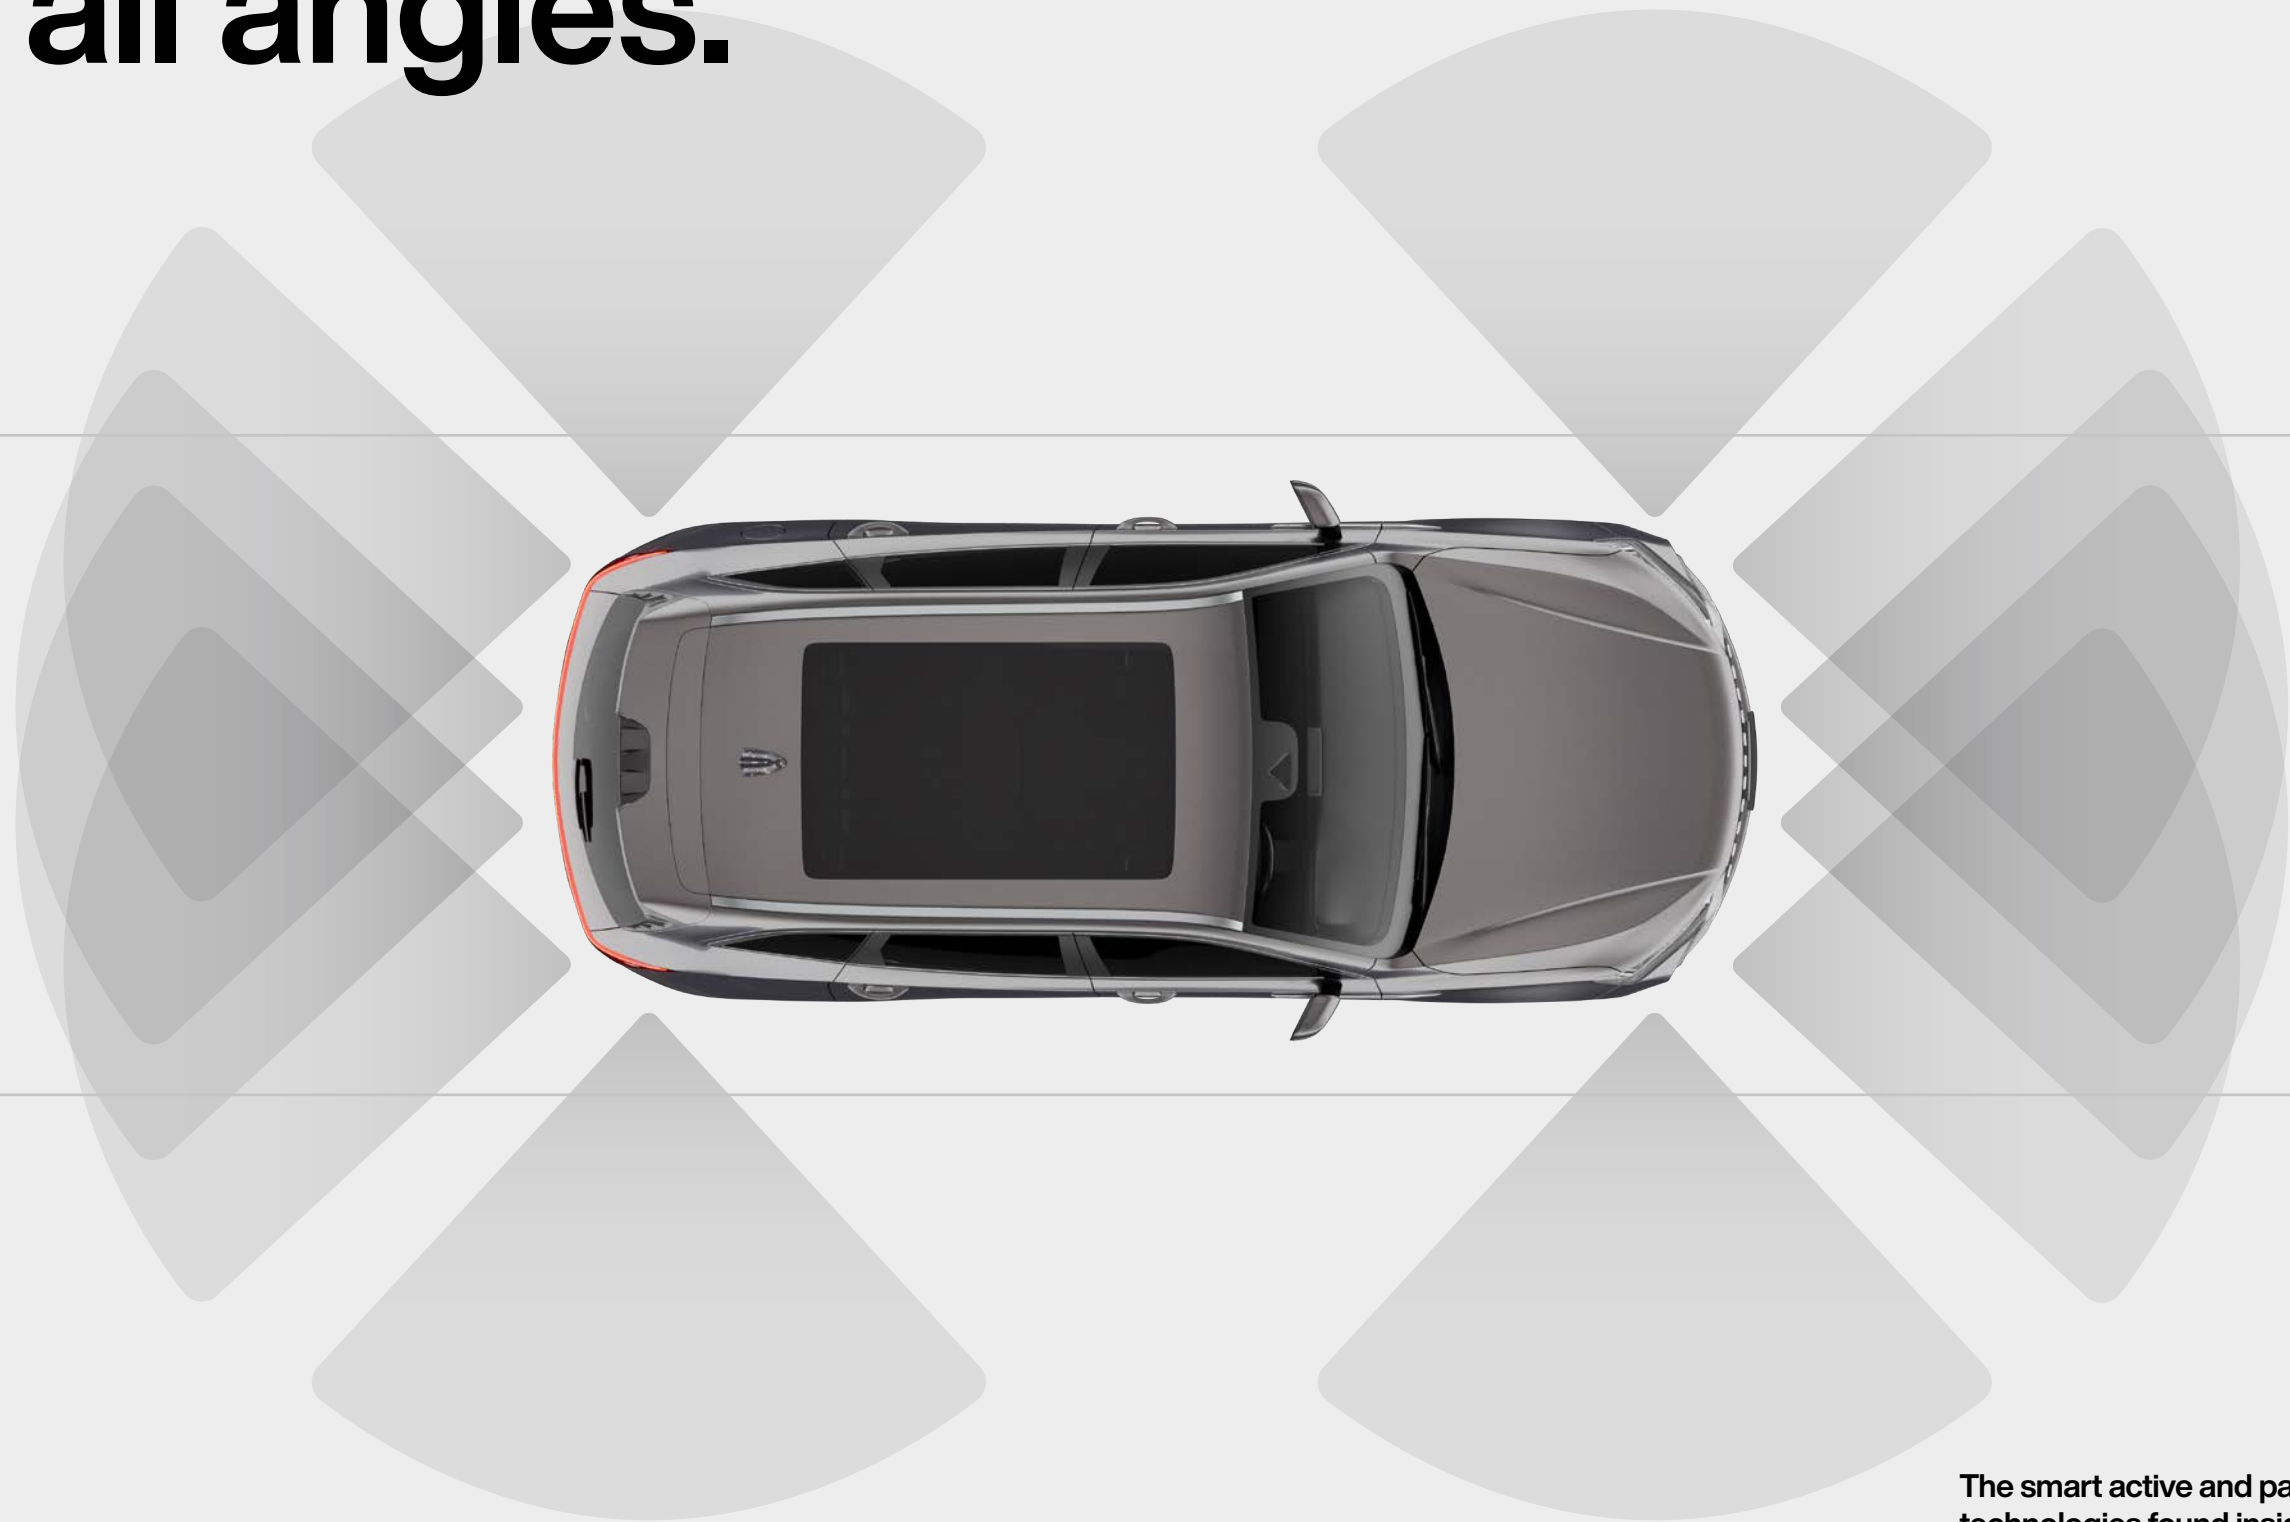

From the digital instrument panel and heated seats, to the voice command or LED dash lighting, the H6GT PHEV Hi4 dash lighting and panoramic sunroof, the H6GT comes with an array of advanced features to make every drive seamless and comfortable, wherever you go. Just say, "Hello GWM", to activate Voice Command and control the climate settings, open the sunroof, adjust the media volume and more with your voice - helping you keep your eyes on the road and hands on the wheel.

Safety in every journey.

This sporty and stylish SUV is also unbelievably safe. It comes with a comprehensive suite of safety systems designed to protect you and others on the road. Advanced safety features including Intelligent Adaptive Cruise Control, Lane Keep Assist, Traffic Sign Recognition, Traffic Jam Assist, and Intelligent Parking Assist* all combine to give you peace of mind knowing that GWM is looking out for you and everyone else around you every time you drive.

Protection from all angles.

The smart active and passive safety technologies found inside the H6GT Hi4 including Auto Emergency Braking, Rear Cross Traffic Assist, Lane Departure Warning, Blind Spot Detection and a 360-view camera, will let you know who or what's in front, behind and either side of you every time you take the vehicle out for a drive.

GWM Care.

Every GWM comes with GWM Care. It begins from the moment you take delivery of your vehicle and continues long into the future. Wherever the road leads, you can rest assured knowing that your GWM will be kept at its best for many years to come.
