THE NEW GRANDLAND /

With its bold and pure design, next-gen powertrains and innovative technology, the new Grandland challenges what an SUV can be.

BEYOND ALL EXPECTATIONS /

Opel Grandland Plug-in Hybrid goes further, reduces emissions to zero for longer and still delivers incredible 165 kW (225 hp) of hybrid power.

BOLD AND PURE //

Enhanced by Opel's bold, pure new design language, the Grandland turns heads with its confident, sporty lines complemented by a powerful stance and rugged, modern SUV styling.

PLUG IN. POWER UP //

Opel Grandland Hybrid makes charging quick, clean and easy. You can use any public station, home cable or wall box to conveniently top up overnight. Whatever way you choose, recharging is always fast and efficient.

BOLD AND PURE **DRIVE**

There's a driving mode to suit every journey, with ideally balanced range and power, enhanced efficiency or peak performance all right at your fingertips. Simply choose from Electric, Hybrid or Sport drive modes to enjoy the advantages of both an SUV and an electric car.

HIGH EFFICIENCY

Performance without compromise. The Opel Grandland features a 1.2 Direct Injection Turbo petrol engine with smooth 8-speed automatic transmission. Delivering 96 kW (130 hp) and fully Euro 6d compliant.

LUXURIOUSLY RUGGED

With AGR¹ certified Ergonomic Active Front Seats with multi-way adjustment, including lumbar support. Meanwhile, heated features including a self-warming steering wheel mean your hands stay comfortably in control.

¹The certificate by Campaign for Healthier Backs (AGR) is a seal of quality awarded by an independent testing committee made up of experts from various medical disciplines.

THE PURE PANEL[®]

The sleek Pure Panel[®] display streamlines driver information, digitally detoxing it of all visual clutter, also integrating Apple CarPlay[™] and Android Auto[™] to keep you intuitively informed and entertained.
